PURPOSE

The purpose of the Access Center is to assist individuals with disabilities with accommodations and services that will promote their success and integration into Lee College and college related activities.

The Counselor for Students with Disabilities works with students, faculty, and staff to ensure equal opportunity to all programs. For credit courses, continuing education, and community events, individuals will be provided equal access.

TO QUALIFY

A “qualified person” is defined as one who meets the requisite academic and technical standards required for admission or participation in the post-secondary institution’s programs and activities. Section 504 protects the civil rights of individuals who are qualified to participate and who have disabilities such as, but not limited to, the following:

- Blindness or visual impairments
- Cerebral palsy
- Chronic illnesses (including AIDS, arthritis, cancer, diabetes)
- Deafness or hearing impairments
- Epilepsy or seizure disorders
- Orthopedic limitations
- Specific learning disabilities
- Speech disorders
- Spinal cord or traumatic brain injury

SERVICES

A variety of support services are available to individuals with disabilities such as:

- Advocacy to faculty, staff, and administration
- Sign language interpreters
- Testing accommodations
- Access to textbooks in alternative formats
- Assistive technology/screen reading programs (i.e., Kurzweil)
- Readers and/or scribes
- Assistance with registration
- Loan of tape recorders
- Use of closed circuit television
- Referral for diagnostic evaluation and community resources
- Loan of portable FM loop listening device
- Other services as needed
